

ORGANIZING

THIS IS THE AGILITY FOR CREATING AND MAINTAINING ORDER IN WORK TASKS.

Agilities™ are combinations of your work skills and interests. Use them to work more effectively in your career. People gifted in Organizing are able to simplify and prioritize tasks, develop and execute plans, and manage resources and timelines. They are detail-oriented and effective at accurately maintaining information and records. This skill helps people work faster and more efficiently in their careers because they are able to create and follow schedules, coordinate activities, and create project timelines.
